### **Objective:**

I am a Software Developer with years of experience in the Government, Legal, and Non-Profit sectors. I am skilled in Agile development, API's, backend architecture, collaboration, and problem-solving.

### **Education:**

**Eleven Fifty Academy, Software Development Immersive Learning Program, Indianapolis, IN, November 2021**

24-week immersive learning program for Software Development taught with industry-guided curriculum, real-world project-based learning, and 500+ hours of logged coding time and training.

**Ball State University, Bachelor of Science in Political Science & History, *Summa Cum Laude*, Muncie, IN, December 2019**

### **Competencies & Functional Skills:**

Problem solving, troubleshooting, creativity, visual communication, customer service, critical observation and thinking, organization, Agile methodology, portfolio development, addressing and resolving business challenges.

### **Technical Skills:**

**Languages/Libraries:** C#, ASP.NET, SQL

**Cloud Technologies:** Azure, GitHub

**CI/CD:** Agile, Scrum, Git

**Databases/ORM:** SQL Server, Relational Databases, Entity Framework

**Web Technologies:** HTML, CSS, APIs, MVC, Responsive Web Design, Bootstrap

**Other Tools:** MSTest, Postman, Swagger, OOP

### **Technical Projects:**

**ForeScore** <https://github.com/DavidLavanchy/ForeScore>

Utilized HTML 5, CSS 3, Bootstrap 4, and C# to build an ASP.NET Web Application with an MVC design pattern for a golf app that allows users to record their rounds, follow friends, and view their statistics.

**RecipeFinder** <https://github.com/mpenaloz/RecipeAPI>

Utilized ASP.NET Web API backend, C#, and AGILE within a team to create an app with CRUD functionality that allows users to manage recipes.

**Business Challenges** <https://github.com/DavidLavanchy/GoldBadgeProject>

Utilized C#, .NET Framework, Repository pattern, and CRUD methods to create multiple console applications designed to mimic multiple enterprise level solutions.

### **Professional Experience:**

**Paralegal, Indiana Legal Services, Inc, Indianapolis, IN, September 2020 - Current**

Project Scope: Worked in a law firm with over 150+ attorneys and legal support staff serving clients throughout the State of Indiana.

- Provide legal, trial and administrative support for a team of 10+ attorneys practicing in the areas of family law, labor law, elder law, and real estate law.
- Assisted attorneys in the timely drafting and filing of legal documents and correspondence supporting case preparation for court appearances, hearings, depositions, trials, and meetings.
- Managed case list by utilizing Microsoft Excel and other legal management software programs.

**Graduate Assistant, Ball State University, Muncie, IN, January 2020 - June 2020**

Project Scope: Assisted professors within the Political Science department with academic research and course operations.

- Liaised between professors and students to provide information on subject matter, assignments and class expectations.

- Assisted professors with lesson preparation and curriculum implementation. Assisted with research for academic publications.

**Legislative Intern, Indiana State Senate, Indianapolis, IN, December 2018 - May 2019**

Project Scope: Served in First Regular Session of the 121st Indiana General Assembly by assisting two Senators and working with 50+ Senate staff.

- Maintained office contact with constituents in person, over the phone, and via email and logged constituent contacts in constituent management software programs.
- Assisted Senators in extensive legislative research including, but not limited to, the biennial budget, elections and redistricting law, health insurance coverage, tax law, local government issues, environmental issues, etc.
- Staffed the Senate Family and Children Services Committee and the Senate Elections Committee.
- Diligently performed administrative tasks including answering phones, printing/copying legislative materials, and scheduling appointments.

**Head Coach, Munciana Volleyball Club, Yorktown, IN, March 2018 - December 2019**

Project Scope: Coached a regional team within a club that had 40+ coaches and 250+ players.

- Prepared athletes for games with a well-coordinated schedule of practices and individual training.
- Coached satellite summer camps all across the country and internationally to share our club culture and philosophy (Alabama, Kentucky, Indiana, Ohio, Michigan, and Ontario).
